

ANNUAL REPORT

❖ Due to Covid 19 pandemic, schools around the country were temporarily closed, the whole education system shifted to a digital mode. The sudden shift of education to this virtual platform brought several challenges. For the intellectual development of the students at their respective home itself and for the development of innovative and basic skills, Bachpan English School, Sangrur was the first school to organise online classes in the city.

❖ Competitions and academic activities that go beyond the text books and foster a healthy and Competitive spirit.

Bachpan English School, Sangrur has not only maintained the continuity in the online classes for the students but has also organised different competitions and activities as well. Some of these events were Card Making Activity, Essay writing Competition, Dance Competition etc.

Being responsible educationists, we need to be positively constructive too.

To utilise this period, a couple activities were shared with the students. Activities were designed for enhancing the 21st century skills; Social skills and other life skills.

❖ As per CBSE guidelines, school organised an online competition for class X students as project work on topic " Ek Bharat Shreshat Bharat ". To showcase the 'unity' and 'greatness' of India as a nation. Students beautifully prepared images, slogans, poetry in all the three languages i.e. English, Punjabi and Hindi.

❖ Our Honorable Education Minister Vijay Inder Singla launched "Ambassador of Hope", an online competition for the students across the state. The competition invited students to make videos and share positive idea on Covid -19 in form of a speech, song, poem, dance or skit. Our students participated in this competition with avid. They acquired good positions.

❖ Competitions in schools lead to valuable skills. They motivate the students to demonstrate their inherit talent. Bachpan English school, Sangrur organised an Online Inter School Geography Quiz Competition on 'World Environment Day' to raise awareness about the environmental issues. A hub of school enthusiastically participated in it. Students were awarded with

cash prizes and certificates. Overall, the Inter -School Quiz Competition was a huge triumph.

❖ Parents' and Teacher's Association

PTA meetings have been arranged periodically, the PTA members of our school are closely involved in academic activities.

To bring parents and teachers together to exchange views and ideas regarding unidentified challenges and the holistic development of a Child Online PTMs were held on regular basis.

To take feedback from the parents a questionnaire was sent through google form. It was designed to collect their opinions regarding Online Study.

❖ Art Integrated learning has been a hallmark of the school. The goal of arts integration is to increase knowledge of a general subject area while concurrently fostering a greater understanding and appreciation of the fine and performing arts. To achieve this object a list of Art Integrated Projects related with each subject from classes 6th to 10th was posted to the students through online groups.

❖ To avoid in person contact all together, our school have opted to conduct the majority of their exams online. Online exams are a great way of maintaining momentum in education and to ensure the learning process doesn't ground to a halt.
